中國海景大酒樓

Welcome to China Harbor!

Chinese Cuisine is regarded as among the finest in the world, offering a variety of unique and exciting flavors. In China, the preparation of food differs from province to province.

You're about to enjoy the very best in Chinese cuisine. We have assembled a large number of authentic Chinese dishes that have been perfected and served for generations. It's the most delicious and diverse collection you will find anywhere.

By popular demand, our recipes are relatively low in fat, cholesterol, and salt. And we use a light oil approach in our preparation.

Among these selections, those with a star (★) are traditionally served "spicy-hot" with no variation in China. Here at China Harbor, however, you have some choice in the matter. How spicy-hot is up to you! Choose One Star, Five Stars, or any number in between. One (★) is very mild. Many people from Northern China love Five (★★★★★). If you're not sure, try★★ or ★★★. Just remember when you see the rate, "How spicy hot" is up to you! Get ready for a memorable dining experience. We hope to see you often, here at China Harbor.
